

New Zealand Golf Bag Procurement Checklist (1-page)

Must-send RFQ inputs

- Product type + reference images
- Target quantity + colorway plan
- Branding placements + artwork files
- Pocket list + dimensions + intent
- Material package by panel (fabric/coating/zipper/hardware)
- Packaging requirement + carton markings
- QC acceptance: defect taxonomy + tolerances + AQL
- Incoterms: FOB / CIF / DDP (scope and milestones)

NZ planning reminders (program dependent)

- Country of origin labeling and retail identifiers locked before bulk
- Long-route transit packaging verified (carton + protective packing)
- Weather-aware specs: define water-resistant scope and test method
